Experience

Physics Teacher, Universidad de Oriente. Cuba — sep 2018 - nov 2020

Worked as a general physics teacher, participating in projects on digital holography and physical computing.

Education

Start2Impact University. Italy — Web Developer — jul 2021 - present

Journey to become a web developer

Universidad de Oriente. Cuba — Bachelor of Science - BS, Physics —

sep 2013 - jul 2018

Studies in physics, optics and spectroscopy, programming and algorithmization.

Skills

Language:

Spanish (mother language), English (B2), Italian (B2)

Code:

Matlab, Html, Css, Bootstrap

Tools:

Blender, Inkscape, Figma

Papers

**Alternative use of Reflection Spatial Light Modulator in Phase Shifting
Digital Gabor Holography**

Optik — feb 2021
